Chief, FBI

Movies for Hawaii Bureau

With reference to the procurement of movies for Hawaii Bureau, discussions were held two weeks ago with Robert Quick of Army Special Services here. [] acknowledges that contracts with the movie companies prevent lending you the films on any ordinary basis but believes that some arrangement can be worked out informally and locally. He promised to write Colonel Wells in this vein making some specific suggestions.

STAT

It is believed that if you get in touch with [] or with [] to whom [] will probably turn it over after receipt of this letter, they can make arrangements of some sort for you.
